

Passive Infinitive

Infinitives end in **-re**

For each active infinitive, there is a passive version ending **-ri**

ACTIVE	portare	<i>to carry</i>
PASSIVE	portari	<i>to be carried</i>

The conversion is really that simple :), with the exception of the 3rd conjugation :(

[1]	[2]	[3]	[4]
Portare	monere	trahe	audire
Portari	moneri	traheri trahi	audiri

aedificari	<i>to be built</i>
mitti	<i>to be sent</i>
deleri	<i>to be destroyed</i>
faci	<i>to be made, done</i>
custodiri	<i>to be guarded</i>
